Notice to Competitors No. 4 – 06 July 2018

Change to “Areas with icebergs” (Racing Division only) & Skipper’s Briefing

The Obstruction in SI 6.2 (Areas with icebergs deemed dangerous for navigation) has been changed as provided in SI 6.2.

According to the NAIS analysis, published 06 July 2018 00:00 UTC, the obstruction limit has been altered:

Boats shall not enter an area to the North of 46° N whilst West of 051° W.

Skipper’s Briefing

There will be a Skipper’s Briefing on Saturday, 7th July, in the Dining Room at the Royal Bermuda Yacht Club. Skippers are requested to attend with no more than 2-3 people per boat where possible.

Slides shown will be published on the Official Notice Board

<http://anniversary-regatta.com/notice-board.html>

after the Briefing.

Q&A Service

Q&A No 1 – 06 July 2018 – Question regarding the Race Committee’s intentions concerning Traffic Separation Schemes – has been published on the Official Notice Board

Safety List

A list with the MMSIs, Sat Phone Numbers and offshore Email addresses will be distributed in Excel and Text format to all PIC’s Email addresses. The list will also contain an information of the boats with a Doctor of medicine on board. It will be available to pick up from the office in paper format on Saturday, and PICs may request it to be sent to an alternative Email address. Please keep this information confidential and destroy it after finishing the race.
